

FOR IMMEDIATE RELEASE

LOCAL COMPANY, V-SOFT CONSULTING, ACQUIRES NEW COMPANY, CONTINUES TO GROW

Louisville, Kentucky - December 22, 2015 – V-Soft Consulting, an IT Staffing and Solutions firm based in Louisville, KY, is continuing to grow exponentially.

Their growth has helped them become a leading influence model as they drive excellence and change across the IT services industry through their unique, *People First* approach. This model emphasizes partnership, deep business insight, and superior technical competence that deliver considerable ROIs and ROAs for their clients.

Their newest expansion is with the merging of V-Soft with Wisconsin-based **Safe Bridge Solutions**, which is effective as of January 1, 2016. The decision to merge the two companies has been in the works for 3 years, and has been well-received from both sides.

“This strong partnership with V-Soft - leveraging strengths and resources of each company - has allowed us to not only improve the foundation of People First, but to become stronger together.”

- Beth Zuehlke, President of Safe Bridge Solutions

Here are only a few of the opportunities that this merger brings:

- Full service IT solutions to Wisconsin businesses for any size company's budget
- Expanding recruiting efforts to a global scope bringing amazing talent to the region.
- Expanded work opportunities across North America for employees.
- Opportunities for consultants to work in V-Soft's project solutions side.

V-Soft is looking to continue the development and expansion of their company, as well as to continue helping better the community with their **V-Soft Cares** efforts.
