

V-SOFT CONSULTING GROUP, INC. NAMED TO BUSINESS FIRST'S FAST 50 LIST

LOUISVILLE, KY – October 22, 2013 – V-Soft Consulting Group, Inc. was named to the exclusive Business First Fast 50 List. V-Soft is a leading information technology firm that specializes in business solutions and niche IT staffing. Business First of Louisville held their annual Fast 50 Award Luncheon in downtown Louisville's Kentucky International Convention Center to a sold out crowd of 650+ attendees. With growth of over 50%, V-Soft Consulting cracked the Fast 50 list at number 33. Purna Veer, the founder and CEO, credits the growth to an expanding presence in the direct sales both nationally and locally with the combination of increasing their recruiting capabilities.

In 2000, the Fast 50 list was created so that dynamic companies that were experiencing extreme growth could have the spot light shined on their success. Business First's President and publisher Tom Monahan loves this publication because readers can briefly get inside the heads' of growing CEOs. The requirements to be a part of the Fast 50 list include being privately owned and based in either Bullitt, Henry, Jefferson, Meade, Nelson, Oldham, Shelby, Spencer or Trimble county in Kentucky; as well as, Clark, Floyd, Harrison, or Washington county in Indiana. In addition, there must be at least a 3-year operating sales history and an average of \$1 million in annual revenue for their three most recent fiscal years.
