## FOR IMMEDIATE RELEASE

### V-SOFT CONSULTING WINS INAVERO'S 2015 BEST OF STAFFING® TALENT AWARD

**Louisville, Kentucky – February, 2015** – V-Soft Consulting Group, Inc., a leading IT staffing and IT business solutions agency has won Inavero's Best of Staffing® Talent Award for providing superior service to job seekers. Presented in partnership with CareerBuilder, Inavero's Best of Staffing Talent winners have proven to be industry leaders in service quality based completely on the ratings given to them by the permanent and temporary employees they've helped find jobs. With satisfaction scores more than three times higher than the industry average, award winners make up less than two percent of all staffing agencies in the U.S. and Canada who earned the Best of Staffing Award for service excellence.

Focused on helping to connect people with the right jobs to further their career, V-Soft Consulting received satisfaction scores of 9 or 10 out of 10, significantly higher than the industry's average of 51 percent.

"Here at V-Soft our customer's satisfaction is our utmost priority. We take pride in our ability to provide our clients with top notch service while still keeping our prices reasonable and always completing the project on time." V-Soft Consulting's President, Purna Veer says.

"With a tightening labor market and a need for growing companies to stay flexible, staffing agencies are placing more people into employment opportunities than at any other point in U.S. history," said Inavero's CEO, Eric Gregg. "More companies and job seekers than ever before need a staffing agency with a proven commitment to service excellence. Bestofstaffing.com is the place to find winning agencies working in your city and area of expertise. We are incredibly proud of the accomplishment of our 2015 award recipients."
